

## Personal information

Name: Hanady abbas Al - Mosawi

Age, Date of birth: 34, 19-2-1976

Nationality: Iraq

Gender: female

Marital status: married

Degree: lecture assistant

E-mail address: hanady76a@yahoo.com

Major specialization: control and systems engineering

## Study

Year	Country	University	Degree
1998	Iraq	University of Technology	BSc.
2001	Iraq	University of Technology	MSc.

## Working experience

Position	Place	Time
lecture assistant	University of Technology / computer engineering and information technology dept.	2001 – until now

## Teaching experience:

1. Computer Control System
2. Digital Signal Processing
3. Control lab
4. Programmable Logic Control lab
5. Digital Electronic lab

## Published papers:

Two stage kalman estimators with probabilistic weighted average

## Expected paper (waiting to be published)

Simple sliding mode controller with adaptive fussy saturation sliding mode controller for non linear single input single output system
