

SAIF GHASSAN MOHAMMED

PERSONAL INFORMATION:

Name: Saif Ghassan Mohammed
Gender: Male
Place and Date of Birth: IRAQ, 1980
Nationality: Iraqi
Email: saif.ghassan@gmail.com
Social Status: Single

OBJECT & QUALIFICATION:

- Seeking a position in the field of Computer Engineering, where I can utilize my experience and education.
- Ability to work as part of team or leader of team.
- Good self-starter and self-motivator worker.
- Knowledge of configuring Web Servers and Developing of web-based applications (Developing the web-based applications Ex. www.itswtech.org and www.cyberwebhouse.com).
- Good English Communication Skills.

LANGUAGES:

- Arabic — Fluent.
- English — Fluent.
- French — Conversant.

EDUCATION:

- M.Sc. in Computer Engineering 2007.

Nahrain University — College of Engineering
(Rated as the fourth with an average 78.526%).
Graduate project “The use of XML for data Input / Output in different application” with A (Excellent) discussion degree, thesis about using XML as a buffer database between the relational database and the end user of a web application to achieve the goals of reaching to better security level and speedup the data management process.
- B.Sc. in Computer Engineering 2001.
(Average 67.054%).
Nahrain University — College of Engineering.
Graduate project “GPS Fundamentals & Analysis”.

EXPERIENCE:

- **University of Technology — Software Engineering and Information Technology Department**
Since Oct. 2008 – Still
Lecturer in the computer and software engineering department with the below duties and responsibilities:
 - *Teaching Advanced IT and Programming for Internet materials.*
 - *Supervising four graduated projects' groups.*
 - *Supervising C# LAB.*
 - *Supervising HTML and XML LAB.*
